Committee Reports

Archivist: Beth H.

Report: No report

Corrections: Frank k.

Report: There was a training session at the Duluth prison. Frank could not make it but got a report from the 3 members who could make it. They will continue to have meetings. The attendance from the prisoners has been minimal. Part of the problem is that we are not getting people coming out of the prisons coming into aa after they leave. There is possibly going to be a training class come September. The jail meetings have been strong with around 15 attendees. They have been going through the steps. They are using the plain language big books and seem to like it.

Veterans Outreach: Frank K.

Report: Frank was just at the superior veteran's clinic. AA literature is not staying on display. It seems to be being replaced by other veteran pamphlets.

The silver bay veterans home reached out to hank about getting a meeting/or just information about AA started. He will be reaching out to them to figure out exactly what they are looking for.

Intergroup: Twin ports Intergroup (218) 727 8117
